No. 7 Date: 23/09/2016 Week 10 Term 3

Dear St Thomas Aquinas Families,

Today brings to a conclusion Term 3.

It has been a term with many and varied learning opportunities for our students to encounter Christ daily in their interactions and to grow in knowledge and faith.

At its core the school experience enables students to learn and develop in a social environment where they can build, practice and sustain relationships. Through these relationships they experience Christ revealed often in the daily joys, lessons and missteps of life.

This year our Church is focused on the theme of "mercy". We are called to model God's mercy as a lived virtue towards others. This Mercy we are told in scripture is the first work of God. In a world that is often hard and callous God's mercy challenges us to be tender hearted, loving and compassionate.

Wishing all families a restful and safe term break in readiness for the final term of 2016.

Until next time,

S Rosato

Kindergarten Parish Mass

On Wednesday of Week 10 Kindergarten attended our Parish Mass. The theme of our Mass was 'We Belong to the Parish Community'.

The children presented Father Paul with a gift of artwork to hang in the church. All children participated beautifully throughout Mass through song, the Offertory Procession and by decorating the altar with posters.

Thank you to all the parents who joined us for this special Mass. **Deborah Mitchell, on behalf of the Kindergarten Team**

Parish Confirmation

We congratulate each of the students and their families who recently received the Sacrament of Confirmation as part of the St Thomas Aquinas Parish.

The Sacramental Mass, concelebrated by Father Chris De Souza and Father Paul Slyney, was a beautiful and moving occasion. We continue to pray for these children as they experience the grace of the Holy Spirit in their lives.

Parents are reminded that students are to wear **Summer Uniform** when school resumes for **Term 4**. CEDP Sports Jumpers and Hoodies may only be worn with sports uniform. For further details please refer to the Parent Handbook located on the school website.

Grandparents' Day 2016

On Wednesday, 14 September, we hosted our Annual Grandparents Day at the school. The day commenced with a special concert featuring our junior and senior choirs and band.

Following the concert our families were invited into the classrooms by students to see some of the wonderful learning on display. Each child also presented their grandparents with special prayer cards featuring the Year of Mercy. Following the class visits children, grandparents and families enjoyed a picnic lunch together which also included a cake stall run by our Year 6 students.

The author Mary Pipher, who has written extensively on the topic of grandparents said:

"We crave a greater sense of connection in our families, and in our culture. But we put all our 3-year-olds in one place, all our 14-year-olds in another place, and all our 80-year-olds in yet another place. When we do this, we miss out. Each age group has its own wisdom, its own 'specialness' to share."

What Mary Pipher was alluding to I believe, is that relationships across generations make us feel connected and whole. They make us feel connected, not only to each other, but to something bigger – to the cycle of life, to the past and to the future.

In our modern world, we need this sense of connection more than ever. It helps us understand where we've come from, who we are, where we're going, and why we're going there. What young people need most are the essentials that grandparents provide in abundance – their knowledge, unconditional love, patience and balanced wisdom.

We also know that this relationship is reciprocal. Grandchildren love and admire their grandparents with a sense of appreciation and love that is unconditional. They love their nans and pops simply for who they are. It is also important that we appreciate the many grandparents in our society who are the primary carers for their grandchildren. These grandparents are acting purely out of love and devotion for their grandchildren.

We give collective thanks for the treasures that are our grandparents. We thank them for giving their unconditional love, their kindness, their patience, their humour, their wisdom and for their presence in the life of their grandchildren.

As society changes the role of grandparents changes; but some things about grandparents are constant and timeless. They help grandchildren better understand who they are by transmitting family values, teaching about family traditions and by telling stories about their parent's childhood.

Grandparents also play a pivotal role in imparting wisdom and common sense. They are equipped to do this because they have lived longer, have had greater experience, and have noticed the cycles and patterns of life. In this way grandparents can give us perspective on life. Grandparents are unique and irreplaceable.

Interschool Chess Competition

Term Three School Fees

Thank you to all the families who have finalised the Term Three School Fees or who are currently on track to paying off the school fees in instalments.

The fees were due by 22 August and there are still several families who have not finalised the fees. The Catholic Education Office is sending the first reminder letters this week. Arrangements made during the year with me where families are on track to paying off the fees are still valid.

If you are having difficulties paying the school fees please contact me to organise a formal payment arrangement plan or to discuss the options available. Failure to do so may result in your account being forwarded to the School Fees Liaison Unit at the Catholic Education Office, Diocese of Parramatta.

Diocesan School Attendance Guideline Reminders – Every Day Counts

- Good school attendance affects a child's academic achievement and their overall wellbeing.
- There is No safe threshold of absence from school.
- Research shows clearly that attendance patterns are established early in a child's schooling.
- A child's Year 1 attendance is often a predictor of future attendance patterns.
- The effects of unwarranted school absenteeism accumulate over time and affect children's development now and into the future.

We all need to work together to ensure that students are at school (barring illness) every day - **Every Day Counts.**

Year 3 Pasta Day 2016

Italian Forum – Year 3 Pasta Day 2016

This week, on Wednesday 21 September, we held our annual Pasta Day for the children in Year 3. This day is scheduled as part of our Italian program. Monique Fitzgerald is a parent at the school, and she was also a contestant on this year's season of 'My Kitchen Rules'. Monique showed the children how to make pasta and talked to them about pasta and cooking, and via Facetime we were also able to speak to the two Italians from the show, Luciano and Martino. The children thoroughly enjoyed our guests, the demonstration, the Italian speaking and the pasta they were able to eat afterwards, prepared by four of our wonderful Year 3 parents.

A huge thank you to Monique, Luciano and Martino, as well as Jennie Payens, Melanie Brown, Melanie Barry and Lyndal Maloney for preparing the pasta for the children. **Jenni Wurf, Teacher of Italian**

Pope Francis' Prayer for the Jubilee Year of Mercy

Lord Jesus Christ,

You have taught us to be merciful like the heavenly Father, and have told us that whoever sees you sees Him. Show us your face and we will be saved.

Your loving gaze freed Zacchaeus and Matthew from being enslaved by money; the adulteress and Magdalene from seeking happiness only in created things; made Peter weep after his betrayal, and assured Paradise to the repentant thief.

Let us hear, as if addressed to each one of us, the words that you spoke to the Samaritan woman: "If you knew the gift of God!"

You are the visible face of the invisible Father, of the God who manifests his power above all by forgiveness and mercy.

Let the Church be your visible face in the world, its Lord risen and glorified.

You willed that your ministers would also be clothed in weakness in order that they may feel compassion for those in ignorance and error: let everyone who approaches them feel sought after, loved, and forgiven by God.

Send your Spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind.

We ask this through the intercession of Mary, Mother of Mercy, you who live and reign with the Father and the Holy Spirit forever and ever. Amen.

Pope Francis
